MEMORANDUM FOR:

[redacted]
Chairman, DCI Security Committee

Subject: Security Guidance Against Terrorism for SCI
Indoctrinated Personnel (your memo, 28 March 1984)

1. The Compartmentation Subcommittee met on 13 April 1984 to address the issue of developing some specific DCI security policy and/or procedures on terrorist activity briefings to be issued to the Intelligence Community.
2. One recommendation (see attached) was to include guidance in the DCID, "Security Policy Concerning Travel and Assignment of Personnel with Access to SCI". The consensus of the subcommittee was that there is no need to implement any specific DCI policy or procedures on the subject.
3. The rationale given was that there are already directives on the program and that videotapes, briefings, and pamphlets are available for use by the departments and agencies in educating their personnel on the threat.
4. Our point of contact in this matter is [redacted]
